## ABOUT THIS PUBLICATION

The authenticated pdf of the *Administrative Register* (A.A.R.) posted on the Arizona Secretary of State's website is the official published version for rulemaking activity in the state of Arizona.

Rulemaking is defined in Arizona Revised Statutes known as the Arizona Administrative Procedure Act (APA), A.R.S. Title 41, Chapter 6, Articles 1 through 10.

The *Register* is cited by volume and page number. Volumes are published by calendar year with issues published weekly. Page numbering continues in each weekly issue.

In addition, the *Register* contains notices of rules terminated by the agency and rules that have expired.

## ABOUT RULES

Rules can be: made (all new text); amended (rules on file, changing text); repealed (removing text); or renumbered (moving rules to a different Section number). Rulemaking activity published in the *Register* includes: proposed, final, emergency, expedited, and exempt rules as defined in the APA, and other state statutes.

New rules in this publication (whether proposed or made) are denoted with underlining; repealed text is stricken.

## WHERE IS A "CLEAN" COPY OF THE FINAL OR EXEMPT RULE PUBLISHED IN THE REGISTER?

The *Arizona Administrative Code* (A.A.C) contains the codified text of rules. The A.A.C. contains rules promulgated and filed by state agencies that have been approved by the Attorney General or the Governor's Regulatory Review Council. The *Code* also contains rules exempt from the rulemaking process.

The authenticated pdf of *Code* Chapters posted on the Arizona Secretary of State's website are the official published version of rules in the A.A.C. The *Code* is posted online for free.

## LEGAL CITATIONS AND FILING NUMBERS

On the cover: Each agency is assigned a Chapter in the *Arizona Administrative Code* under a specific Title. Titles represent broad subject areas. The Title number is listed first; with the acronym A.A.C., which stands for the *Arizona Administrative Code*; following the Chapter number and Agency name, then program name. For example, the Secretary of State has rules on rulemaking in Title 1, Chapter 1 of the *Arizona Administrative Code*. The citation for this Chapter is 1 A.A.C. 1, Secretary of State, Rules and Rulemaking. Every document filed in the office is assigned a file number. This number, enclosed in brackets, is located at the top right of the published documents in the *Register*. The original filed document is available for 10 cents a page.

# Participate in the Process

## Look for the Agency Notice

Review (inspect) notices published in the *Arizona Administrative Register*. Many agencies maintain stakeholder lists and would be glad to inform you when they proposed changes to rules. Check an agency's website and its newsletters for news about notices and meetings.

Feel like a change should be made to a rule and an agency has not proposed changes? You can petition an agency to make, amend, or repeal a rule. The agency must respond to the petition. (See A.R.S. § 41-1033)

## Attend a public hearing/meeting

Attend a public meeting that is being conducted by the agency on a Notice of Proposed Rulemaking. Public meetings may be listed in the Preamble of a Notice of Proposed Rulemaking or they may be published separately in the *Register*. Be prepared to speak, attend the meeting, and make an oral comment.

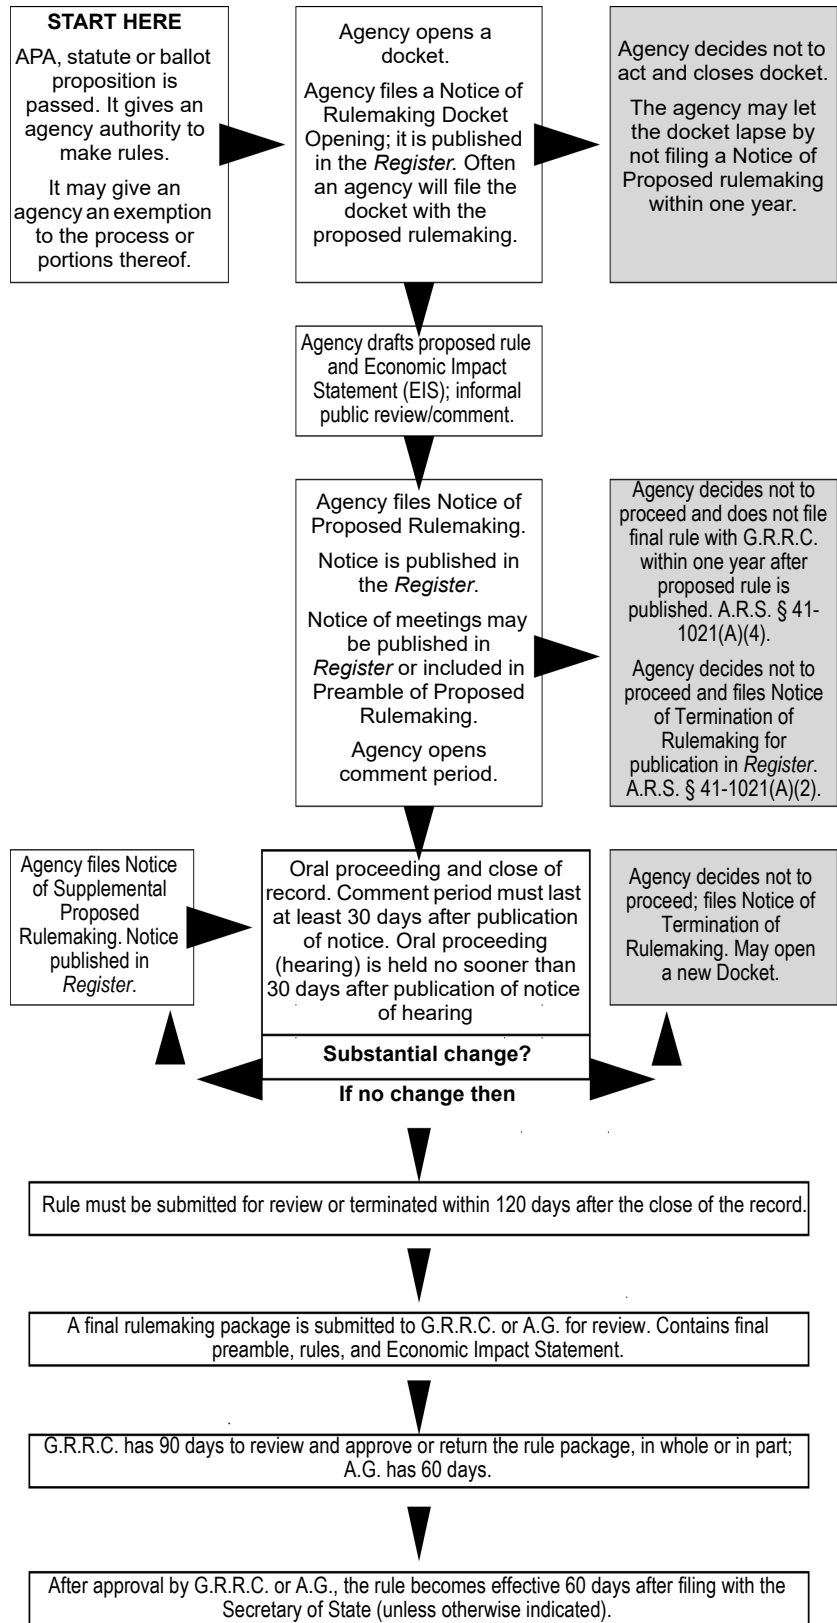

An agency may not have a public meeting scheduled on the Notice of Proposed Rulemaking. If not, you may request that the agency schedule a proceeding. This request must be put in writing within 30 days after the published Notice of Proposed Rulemaking.

## Write the agency

Put your comments in writing to the agency. In order for the agency to consider your comments, the agency must receive them by the close of record. The comment must be received within the 30-day comment timeframe following the *Register* publication of the Notice of Proposed Rulemaking.

You can also submit to the Governor's Regulatory Review Council written comments that are relevant to the Council's power to review a given rule (A.R.S. § 41-1052). The Council reviews the rule at the end of the rulemaking process and before the rules are filed with the Secretary of State.

# Arizona Regular Rulemaking Process

Final rule is published in the *Register* and the quarterly *Code Supplement*.

## About Preambles

The Preamble is the part of a rulemaking package that contains information about the rulemaking and provides agency justification and regulatory intent.

It includes reference to the specific statutes authorizing the agency to make the rule, an explanation of the rule, reasons for proposing the rule, and the preliminary Economic Impact Statement.

The information in the Preamble differs between rulemaking notices used and the stage of the rulemaking.

NOTICES OF PROPOSED RULEMAKING

This section of the Arizona Administrative Register contains Notices of Proposed Rulemaking.

A proposed rulemaking is filed by an agency upon completion and submittal of a Notice of Rulemaking Docket Opening. Often these two documents are filed at the same time and published in the same Register issue.

When an agency files a Notice of Proposed Rulemaking under the Administrative Procedure Act (APA), the notice is published in the Register within three weeks of filing. See the publication schedule in the back of each issue of the Register for more information.

Under the APA, an agency must allow at least 30 days to elapse after the publication of the Notice of Proposed Rulemaking in the Register before beginning any proceedings for making, amending, or repealing any rule (A.R.S. §§ 41-1013 and 41-1022).

The Office of the Secretary of State is the filing office and publisher of these rules. Questions about the interpretation of the proposed rules should be addressed to the agency that promulgated the rules. Refer to item #4 below to contact the person charged with the rulemaking and item #10 for the close of record and information related to public hearings and oral comments.

6. An agency’s justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

This rulemaking amends Title 4, Chapter 18, Article 1., specifically R4-18-101 Definitions. The Board did amend this section in 2024, removing several redundant and unnecessary rules, however the issue the Board seeks to address with this current rulemaking did not present until recently. An Administrative Law Judge (ALJ) ruling relating to a Board case did not go in favor of the Board. The Board case listed a violation of, A.R.S. § 32-1501(31)(r) (“Engaging in any conduct or practice that is contrary to the recognized standards of ethics of the naturopathic profession, any conduct or practice that does or might constitute a danger to the health, welfare or safety of the patient or the public, or any conduct, practice or condition that does or might impair the ability to safely and skillfully practice as a doctor of naturopathic medicine.”) While the Board does have definitions of what constitutes unprofessional conduct, and what is considered “naturopathic medicine” and the “practice of naturopathic medicine”, the ALJ opined those definitions were not enough to support the Board’s allegations of unprofessional conduct in this matter.

A.R.S. § 32-1501(31)(r) includes several components, however the ALJ focused on “recognized standards of ethics” and noted in

her decision “the Board admittedly did not have a standard of ethics for the naturopathic physicians it regulates”. The Board seeks to define Code of Ethics by incorporating by reference the code as adopted by the American Association of Naturopathic Physicians (AANP). The ALJ decision stated in part “the Board acknowledged that there were no definitions in their statutes or rules defining the terms “minor” and “major” surgeries and what fell within each category”. The Board seeks to define what is Minor Surgery, along with what is Local anesthesia.

**7. A reference to any study relevant to the rule that the agency reviewed and proposes either to rely on or not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:**

Not applicable

**8. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:**

Not applicable

**9. The preliminary summary of the economic, small business, and consumer impact:**

If a person requests an oral proceeding, the agency shall provide notice of the proceeding by filing a Notice of Oral Proceeding on the Proposed Rulemaking under A.R.S. § 41-1023(D), and the notice will be published in the *Administrative Register*.

**12. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:**

NOTICES OF EMERGENCY RULEMAKING

This section of the Arizona Administrative Register contains Notices of Emergency Rulemaking prepared and filed by an agency under A.R.S. § 41-1001(8).

If an agency makes a finding that a rule is necessary as an emergency measure, the rule may be made, amended, or repealed as an emergency measure, without the notice prescribed by sections 41-1021 and 41-1022 and prior review by the council, if the rule is first approved by the attorney general and filed with the secretary of state. A rule made, amended, or repealed is valid for 180 days after the filing of the rule with the Office.

The emergency may be renewed for an additional 180-day period if all requirements are met under A.R.S. § 41-1026(D)(1) through (6).

The Office of the Secretary of State is the filing office and publisher of these rules.

Questions about the interpretation of the emergency rules should be addressed to the agency proposing them.

Refer to Item #5 to contact the person charged with the rulemaking.

NOTICE OF EMERGENCY RULEMAKING

TITLE 4. PROFESSIONS AND OCCUPATIONS

CHAPTER 23. BOARD OF PHARMACY

[R25-231]

PREAMBLE

1. Permission to proceed with this emergency rulemaking was granted under A.R.S. § 41-1039 by the governor on:  
September 11, 2025

2. Article, Part, or Section Affected (as applicable)                      Rulemaking Action  
R4-23-411    Amend

3. Citations to the agency's statutory rulemaking authority to include the authorizing statute (general) and the implementing statute (specific):  
Authorizing statute: A.R.S. § 32-1904(A)(1)  
Implementing statute: A.R.S. § 32-1974(I)

4. The effective date of the rule:  
September 22, 2025 (immediately upon filing with the Office of the Secretary of State)  
  
The immediate effective date is necessary because the respiratory disease season is approaching and the amended rule is needed to provide choice to Arizona citizens regarding obtaining immunizations and vaccines to reduce the incidence of illness, hospitalization, and death from respiratory disease.

5. Citations to all related notices published in the Register as specified in R1-1-409(A) that pertain to the current record of the emergency rule:  
Not applicable

6. The agency's contact person who can answer questions about the rulemaking:  
Name: Kamlesh Gandhi  
Title: Executive Director  
Address: 1110 W. Washington St., Suite 260  
Phoenix, AZ 85007  
Telephone: (602) 771-2727  
Email: [kgandhi@azpharmacy.gov](mailto:kgandhi@azpharmacy.gov)  
Website: [www.azpharmacy.gov](http://www.azpharmacy.gov)

7. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:  
In Executive Order 2025-12, Protecting Arizonans' Healthcare Freedom, the Governor asked the Board to undertake an emergency rulemaking regarding administering immunizations and vaccines under a standing order. The Governor based the request on a determination that access to immunizations, vaccines, and emergency medications, without an individualized prescription order, for those who want them, is in the best interest of public health and safety. This is the rulemaking the Governor requested.  
  
With this rulemaking, Arizona joins a growing list of states that have relied on the recommendation of health care professionals

who recommend routine COVID-19 vaccination to take similar action. Health care professionals recommending routine COVID-19 vaccination include the American Academy of Pediatrics, American College of Obstetricians and Gynecologists, and American Academy of Family Physicians. Indeed, all available scientific, trusted, and peer-reviewed evidence indicates the currently available COVID-19 vaccine is safe and one of the most effective ways of preventing serious illness, hospitalization, and death from this respiratory disease.

The use of a standing order is necessary because, unlike in every year since 2021, the FDA’s recent approval of the COVID-19 vaccination is limited to individuals who are aged 65 or older or at higher risk of severe disease. The economic and social costs associated with COVID-19 are substantial and can be minimized with routine administration of the COVID-19 vaccine. The executive order and standing order provide choice to the citizens of Arizona. No one is required to obtain an unwanted immunization or vaccine.

**8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:**

Not applicable

**9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:**

Not applicable

**10. All matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. When applicable, matters shall include but are not limited to:**

None

**a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:**

A pharmacist, intern, or pharmacy technician is required by statute to be licensed (See A.R.S. §§ 32-1922, 32-1923, and 32-1923.01). This rulemaking does not change those licensure requirements. Instead, it addresses a pharmacist, intern, and in some instances, a pharmacy technician, obtaining Board authorization to administer immunizations, vaccines, and emergency medications. The authorization described under R4-23-411(A) to administer immunizations, vaccines, and emergency medications is not a general permit under A.R.S. § 41-1037(A)(2).

**b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:**

**NOTICES OF RULEMAKING DOCKET OPENING**

This section of the *Arizona Administrative Register* contains Notices of Rulemaking Docket Opening under A.R.S. § 41-1021.

A docket opening is the first part of the administrative rulemaking process. It is an “announcement” that an agency intends to work on its rules.

When an agency opens a rulemaking docket to consider rulemaking, the Administrative Procedure Act (APA) requires publication of the Notice of Rulemaking Docket Opening in the Register.

Under the APA, effective January 1, 1995, agencies must submit a Notice of Rulemaking Docket Opening before beginning the formal rulemaking process. An agency may file the Notice of Rulemaking Docket Opening along with the Notice of Proposed Rulemaking.

The Office of the Secretary of State is the filing office and publisher of these notices. Questions about the interpretation of this information should be directed to the agency contact person listed in item #4 of this notice.
